Electric Suction Toothbrush

## OralClean G100

The World's First Electric Suction Toothbrush

OralClean G100 presents a simple yet effective oral care solution for the caregivers and care-receivers who are unable to practice oral hygiene by themselves, due to the sickness, disability, or injury.

As the world's first handy electric suction toothbrush, it can be used in various settings, such as home, institution, or hospital.

**Painstaking daily life**

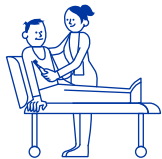

*Our effortless day to day activities  
could be difficult times for others*

There are people who cannot brush their teeth without the support of caregivers. Brushing teeth is a painstaking and difficult task for the caregivers as well.

*For a better life,  
a brighter future*

*To let you focus more on what matters more,  
we continue to think beyond our time*

OralClean G100,  
the world's first electric suction toothbrush,  
provides a simple yet innovative oral care  
environment for people who have difficulty  
in brushing their teeth by themselves.

**Solution for a better tomorrow**

**Oral Clean**

**Oral Clean**

**Water suction**  
500ml per minute

The water inside the mouth is drawn out through the suction holes located on the top of the brush head, through the tube, to the foldable bottle.

**Sonic vibration**  
14,000 times per minute

Smooth sonic vibration delivers effective cleansing while protecting the sensitive gums.

**LED light**  
illuminating the oral cavity

The bright LED light from the transparent brush head is transmitted to the oral cavity, helping caregivers to brush care-receivers' teeth.

**Antibacterial brush**  
for sensitive teeth and gums

Soft and antibacterial bristles help caregivers to provide hygienic oral care. Caregivers can replace the brush heads to take care of multiple care-receivers.

**Foldable bottle**  
size-customization available

Foldable bottle can be easily washed by opening the cap and managed by folding the bottle. Caregivers may use the exclusive neck strap and the ring on the bottle for their convenience.
